What do you love about being a hair/makeup artist?

“I love the amazing people I get to meet! And going to lots of lovely venues and places, they say if you do something you love you never work a day in your life and that’s true with being a hair and makeup artist.”

What’s been your best job to date?

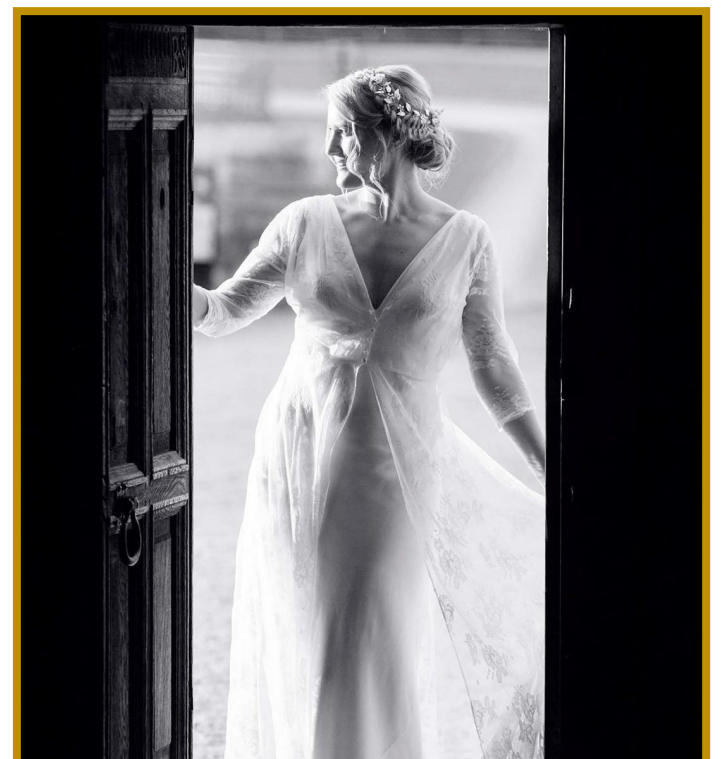

“Probably a wedding I did a couple of years ago for an amazing lady who got married on a gorgeous farm...her and her husband got married in the forest... I loved everything about her wedding! One thing in particular was her dress, this was made by sister... it was an absolute stunner! And the hair and makeup she went for was so beautiful! We got on so well it didn’t seem like I was working at all, I just felt so happy to be part of her special day.”

Your favourite hair and/or makeup product..

“Loving Lush at the moment, their liquid eyeliner is my fave!!”

Top tip for bridal/special occasion clients

“Breathe! And if you cry, dab underneath your eyes rather than wiping as you don’t want to wipe away any lovely makeup!”
