### **What do you love about being a hair/makeup artist?**

“Apart from meeting such wonderful people, the best part of my job is seeing my clients smile when they look in the mirror because they are happy with my work. I like making people happy.”

### **What’s been your best job to date?**

“I wouldn’t say my best job, but the first one that comes to mind was the August bank holiday weekend. It was the last wedding after a long week of five in a row and the bride and her bridesmaids were beyond lovely and so funny. It’s mornings like that one that make my job never feel like a job!”

### **Your favourite hair and/or makeup product..**

“My favourite makeup product would have to be the Tarte Cosmetics Amazonian clay matte palette, the colours are just perfect for brides of all ages.”

### **Top tip for bridal/special occasion clients**

“My top tip is about skin, not makeup. Brides should start taking care of their skin long before their wedding because amazing skin radiates beauty. Have a great skin care routine and drink plenty of water.”

## Testimonials

“Debs was truly amazing from start to finish! The trial really put me at ease for my wedding and she really listened to exactly how I wanted my hair and makeup.

On the day of the wedding she did my 6 bridesmaids hair along with my hair and makeup and made the whole process so stress free for us. The morning was just perfect and we all absolutely loved having Debs there with us.

We had so many compliments on all of Debs’ work and I would highly recommend her for a wedding! I hugely appreciate all of her hard work and wouldn’t have asked for it any other way. Thank you so much”

“I am so pleased that I used Deborah for my hair and makeup for our wedding, she was great from the beginning listening to what my mum, bridesmaids and I wanted and worked together.

She is very professional and approachable and will listen to ideas. As well as hair and makeup Deborah applied my eyelash extensions which were nothing I had had before but were fab. Would definitely recommend and will be using again.”

“Debs has provided perfect hair and make up for myself on a couple of occasions namely my wedding, where she was friendly, professional and accommodating. Will highly recommend her services, and will certainly book again for any future occasions.”
