### **What do you love about being a hair/makeup artist?**

“I love helping my clients to feel more confident by enhancing their features and not hiding or changing them.”

### **What’s been your best job to date?**

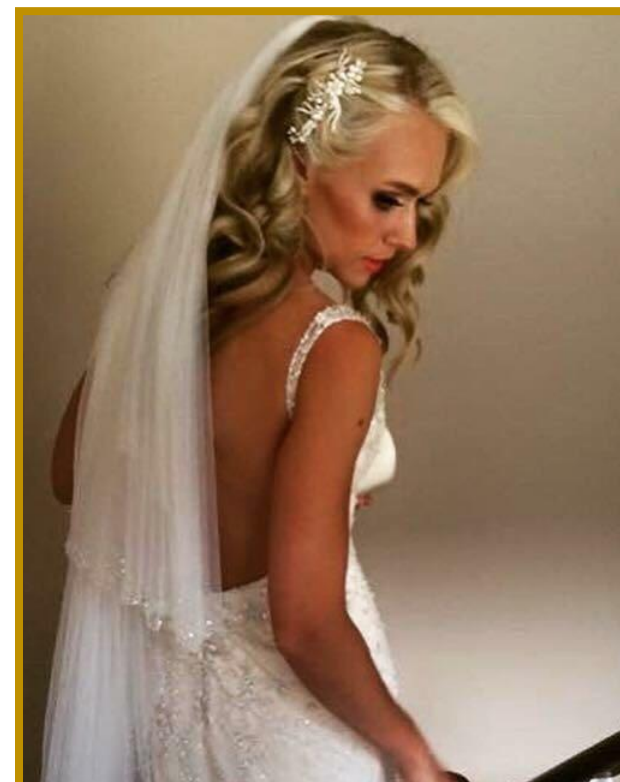

“I enjoy all jobs as creating beautiful hair and makeup looks is my passion, however being chosen to do my sisters bridal hair and makeup was the most special job I have undertaken.”

### **Your favourite hair and/or makeup product..**

“Choosing a favourite hair and makeup product is the hardest!! I have so many! I'd have to say my favourite hair product currently is Schwarzkopf Made 4 Mess Texturising Spray and my favourite makeup product would have to be Arbonne's Primer or Becca Shimmering Skin Perfector.”

### **Top tip for bridal/special occasion clients**

“My top tip to any brides/special occasion clients out there would be to not overthink the look you want to go for and don't go too different to your usual look to avoid feeling uncomfortable or not yourself. I believe you should be a polished and enhanced version of yourself when having your hair and makeup done.”

## Testimonials

"Natasha has done my hair and makeup on several occasions and I have always been so pleased with the result so when I got engaged, the first thing I did was book Natasha to do my hair and makeup for myself and bridesmaids.

Again, I couldn't have been more happy with how we all looked and it lasted the entire day - no need for touching up at all! I couldn't speak more highly of the service that she offers and highly recommend Tash for your special occasions!"

"Tash has done my makeup and lashes several times and every time it's been perfect! Always had compliments about my makeup when I'm out! always so friendly and accommodating to whatever I request! Wouldn't use anyone else!"

"The lovely Tasha did my hair and makeup for my wedding. I was over the moon with my makeup! I don't wear a lot of makeup so Tasha listened to what I wanted and gave some suggestions. She was spot on the first time - it was perfect! I remember looking in the mirror that morning and not believing my reflection."

My hair as well was amazing - a messy and relaxed updo with plaits at the sides. We also accessorised with lots of flowers from the gardens. I have never looked or felt so confident. Tasha is an absolute star and listened to everything I wanted/asked for and did an even better job than I imagined! Thank you so much Tash, you helped to make my wedding day perfect and I LOVE looking back at the pictures."

"I received so many compliments on the day on both my hair and makeup and even promised to pass her details on. She listens to the style you are aiming for, provides you with some suggestions and also if you want any changes she is open to them.

I also gained some great makeup tips from her. I couldn't recommend Natasha highly enough to any brides out there looking for a makeup artist/hairdresser for their big day."
