What do you love about being a hair/makeup artist?

“I love making people feel good, confident and makeup and hair have the power to do that. The best part of being a bridal hair and makeup artist is making your bride look the best version of themselves ever and at the moment that you have done your job, the wedding dress is on and you see the look on everyone's faces...that is a magical and very special moment”

What's been your best job to date?

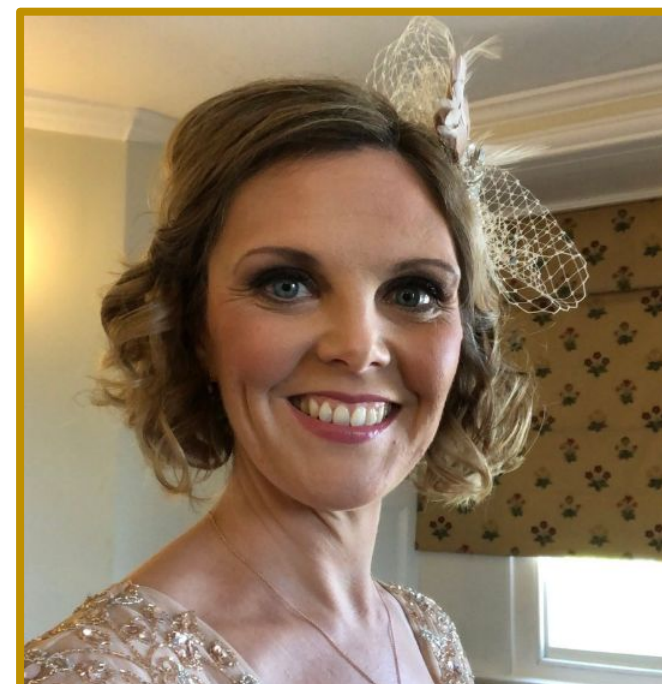

“I have had lots of career highlights but my favourite and most high profile has to be the Royal Wedding of Prince Harry and Meghan Markle. I was the hair and makeup artist for Elin Manahan Thomas the Solo Soprano who sang as the Duchess of Sussex walked into St. George's chapel - televised to billions of people worldwide. I was inside the castle walls, it was magical, nerve-wrecking, surreal and I loved every minute of it. Elin's makeup had to be perfect as she was televised at the service and interviewed by BBC and Sky afterwards so my bridal experience was vital as it was a high profile wedding. An experience that I will never forget.”

Your favourite hair and/or makeup product..

“It has to be Estee Lauder Double Wear Light foundation. It is perfect for bridal makeup as it looks flawless, fresh, natural and gives excellent coverage that lasts all day long. Just what you need on your wedding day”

Testimonials

“Rosie, I really can’t thank you enough for being an amazing support on the morning of the wedding. From relaxing a rather stressed out bride, to filing my fingernails and doing an even more amazing job with my hair. We had a wonderful day and have many more fond memories. Thank you!”

“I was so nervous to have my hair and makeup done, and Rosie put me at ease straight away. During my trial, she brought all my ideas to life and offered fantastic advice, I felt confident knowing that I was in the best hands, so much so that the final look brought me to happy tears! On my wedding day, Rosie was a total professional and I trusted her, I had no worries at all and I received so many amazing comments about how great my hair and make up was!”

!Rosie was outstanding, she interpreted what I wanted exactly and helped me with ideas to achieve the look I wanted that worked perfectly with my dress. On the day and in the trial she was incredibly punctual, friendly and particularly on the morning was an asset to our getting ready ‘vibe’ even providing great music. There were six of us in total and she kept to timings perfectly. To top it off there were horrendous winds on the day and my hair stayed perfectly in place!”

“Rosie was a breath a fresh air, she understood what I wanted instantly, and from the moment I met her it was like seeing an old friend. She kept me calm when it mattered, she made me laugh when I needed a break from it all, and she was on hand for anything big or small. I didn't feel like 'any client'. Rosie understood my vision and made it come true, and for that, I'll be forever thankful.”
